Dan – I had not heard that you would be Michelle's body double. You should know that I've reserved a GOV – will you be riding down with me?

I've attached a few HTL-related documents that I plan to bone up on before next week.

David --

I assume you have heard that I am now your likely travel companion for next week. I have asked Linda to keep this time she secured with the General. Please be thinking about what info you and I might want to bone up on to help make that engagement successful. Thx. DanO.

It's set for Tue 5pm; Michelle now not going...do you want to still meet with him? If not, I'll contact his assistant and cancel.

How are you doing setting up some separate time with General Spellman in Astoria?
